

## CAPE PENINSULA & CITY ORIENTATION

### (Full Day Tour)

This tour will take you on an orientation ride of the City of Cape Town and the Cape Peninsula.

The ride will start in the city, where you'll see the 17th century Castle of Good Hope and the collection of historical buildings close by. We'll head up towards Table Mountain to Signal Hill to enjoy the bird's eye view of the city and the Atlantic Ocean before making our way via Victoria Road along the breathtaking Atlantic Seaboard towards Hout Bay.

From Hout Bay we'll head over the twisty Chapmans Peak Drive to Noordhoek. Misty Cliffs and Scarborough will offer stunning views of the Atlantic Ocean before heading to Cape Point at the Cape of Good Hope Nature Reserve, described as the Fairest Cape on all the World.

At Cape Point you'll have the opportunity to enjoy the walk up to the historical Cape Point Lighthouse, then we'll head to the actual Cape of Good Hope for an optional photo shoot.

Our motorcycles will allow us to visit some of the lesser visited sites inside the nature reserve. We'll visit the resident Penguin Colony in Simon's Town, after which we'll ride through the seaside suburbs along the False Bay.

At the Kalk Bay Harbour we'll head over Boyes Drive which offers stunning views over the False Bay. The tour will then make its way back to the city through the leafy Constantia Wine Valley.
