

LIFE IN THE TOWNSHIPS OF THE CAPE (Half Day Tour)

Experience the culturally diversity of Cape Town & intermingle with the locals. The tour will commence in District Six, situated at the foot of Table Mountain, where forced removals changed the lives of many people.

The tour continues to the Cape Flats being home to the so-called “Coloured” communities of Cape Town and to Langa the oldest previously informal settlement in South Africa, where you would be exposed to the unique aspects, adding to the rich culture of township life.

There are millions of people in the Cape living in townships, and this tour provides the opportunity to visit them and discover their harsh past, bear witness to their everyday challenges, and be uplifted by their positive hope for the future.

You will end the tour with a greater understanding about life on the Cape Flats and in black townships of Cape Town, and will understand the development of the Rainbow Nation and what it symbolises.
